

Cool Weather Flying and Proposed Weather Products

With the coming of Fall, Pilot-Meteorologist Dan Gudel will review weather aspects of the cool season months here in Central California along with some proposed Weather Service aviation product changes.

Directions: The EAA Chapter 376 / Bill Smilie Aviation Center is located on Spaatz Avenue just West of the runway at Sierra Sky Park Airport. The building is a comfortable 6,000 sq ft hangar with heating and cooling as needed. Ample parking is available in front of the building for cars and aircraft may be parked on the shoulders of Doolittle Avenue and Spaatz Avenue. Parking for both cars and aircraft is always free and only a short walk to the building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
